

## EU-CARES

**European Collective nArratives for Reconciliation trauma hEaling  
through youth engagement and Storytelling**

## INVITATION

We are pleased to invite you to the final event of the EU-CARES project, "**European Collective nArratives for Reconciliation and trauma hEaling through youth engagement and Storytelling**," co-funded by the Erasmus+ Programme of the European Commission, and supported by the Federal Ministry of Culture and Sport. This event will take place on **November 6, 2024**, from 11:00 AM to 2:00 PM at Europe House, Titova 62, Sarajevo.

The EU-CARES project has focused on using storytelling as a powerful tool for healing collective trauma and fostering reconciliation among disadvantaged young people in the Western Balkans. By bringing together youth workers, policymakers, and community members, this final gathering will showcase the project's achievements and explore innovative approaches to intercultural dialogue, democracy, and human rights. Join us for a dynamic program featuring keynote speakers, youth storytelling performances, and insightful discussions on how creative practices can build resilient communities and promote understanding. This is an opportunity to learn about the transformative power of narratives in healing trauma, fostering solidarity, and shaping a better future for displaced and marginalized groups!

We look forward to welcoming you to this significant event and engaging in meaningful dialogue on the path to collective healing and reconciliation.
